Discipline Procedures

In order to maintain and provide a rewarding experience, participants must adhere to high standards of academic and personal conduct. All must abide by the guidelines and expectations. In the unlikely event that a student violates a guideline or expectation or University policy, staff will contact the parent(s) and take the appropriate disciplinary action as described in the Corrective Discipline Procedure (below). All decisions made by the Management Team are final.

Corrective Discipline Procedure:

The staff *will* enforce all guidelines and policies. Depending on the extent of the misconduct, discipline may range from withdrawal of privileges to dismissal from our program. The disciplinary process ensures the due process of the participant. Since retention is the prime objective, caution against policy violations is consistently reinforced. The following is the procedure for handling disciplinary problems:

First Violation

1. Participant will receive a verbal reprimand from a staff member.
2. Participant must complete and sign an Incident Report Form before they may resume program activities.

Second Violation

1. Participant will receive a written warning. This warning is filed with the Management Team and parent(s).
2. Parent(s) will be contacted immediately to assist in the disciplinary process. If necessary, participant(s) must complete a Disciplinary Contract Form before they are able to resume program activities.

Third Violation

Any student who receives multiple warnings (two or more) is subject to dismissal from the program. Parent(s) will be contacted immediately to schedule a conference with the Management Team to determine the student's future with our program.

This procedure is not applicable to violations that result in immediate dismissal. All violations of Guidelines and Expectations will be reported as a Disciplinary Referral. Any participant who receives more than two disciplinary referrals risks dismissal.

Dismissal

The following violations may result in immediate program dismissal and possible legal action:

1. Fighting and other forms of violence including, but not limited to, verbal/physical intimidation and/or bullying.
2. Possession/attempted possession of alcohol, illegal drugs, or drug related paraphernalia.
3. Possession/attempted possession of firearms, weapons, explosives, or fireworks.
4. Theft or vandalism.
5. Sexual advances and/or harassment.
6. Tampering with or misuse of fire alarm systems/equipment.
7. Failure to comply with program rules and requests made by any staff.
8. Disruptive behavior.
9. Violation of any local, state, or federal laws.
